

Privacy Policy

Last updated: 11 November 2024

Kangto is committed to protecting your privacy. This Privacy Policy explains how Kangto collects, uses, and discloses your information when you use the mobile application, Kangto. This policy applies only to Kangto and not to any other products or services.

Information Kangto Collects

1. Location Information

Kangto collects location information (latitude and longitude) to enable location-based features, such as sending an SOS message in case of emergency. This information is only collected with your permission and is only shared with emergency contacts as directed by you. Kangto does not store or retain your location data on any servers.

2. Device Information

Kangto collects device information to provide app functionality. For example, phone permissions enable one-tap emergency calling. This information is not stored on any servers and is used only for in-app functionalities.

3. User Interactions

When using Hollong App features, actions like reporting forest danger or planting a tree may be recorded locally to increment your "Hollong Score." No user data is transmitted to or stored on external servers by Kangto.

Permissions Requested

To provide a safe and functional experience, Kangto requires access to:

- **Location:** For SOS features to send your accurate location to emergency contacts.
- **SMS:** To allow Kangto to send SMS messages in case of emergency.
- **Phone:** For one-tap calls to emergency helplines.

How Kangto Uses Your Information

Your information is used only to enable specific app functionalities, such as:

- Sending location data via SMS to emergency contacts as directed by you.
- Initiating calls to emergency services.

Data Sharing and Disclosure

Your data is not shared with any third parties except when explicitly shared by you (e.g., sending an SOS SMS to an emergency contact). Kangto does not sell, lease, or otherwise disclose any personal information.

Data Retention

Kangto does not store any personal information on servers. All data collected remains on your device and is retained only as long as necessary for Kangto to function.

Children's Privacy

Kangto does not target or knowingly collect data from individuals under the age of 13.

Changes to This Privacy Policy

Kangto may update the Privacy Policy from time to time. Kangto will notify you of any changes by posting the new Privacy Policy on this page.
